PROJECT

Community Education Center Facade Restoration
Kalamazoo, Michigan

CONTACT

Kalamazoo Public Schools

SCOPE

Perform hands-on evaluation of deteriorated exterior brick and terra cotta masonry facade at old Kalamazoo Central High School buildings dating back to 1917. Develop recommendations for exterior restoration and develop construction budget estimate for complex project. Assist KPS with prioritizing the scope of repairs. Develop Construction Documents consistent with Secretary of the Interior's Standards for Rehabilitation. Identify suitable mortar materials to match historic masonry. Develop mold drawings for terra cotta replacement. Identify suitable patching and coating materials. Provide construction phase project management and observation.
